

Carmella's

"The Real Taste of Philly"

Authentic Italian Ice

"Thank You!" Program

CARMELLA'S ITALIAN ICE COMPANY WOULD LIKE TO OFFER YOU A UNIQUE OPPORTUNITY TO CREATE SOME REAL EXCITEMENT WHERE YOU WORK WITH YOUR EMPLOYEES!

What is Carmella's Italian Ice? Carmella's Italian Ice is an award-winning gourmet, water-based, fat and cholesterol free, frozen delicacy of many flavors; all with a rich, creamy smooth texture that is often mistaken for ice cream or sherbet. But there are NO DAIRY products in our ice, it's just ice, sugar and our quality, fresh fruit flavors!

How does the program work? We come to your location with our traveling "Ice Vault" truck filled with ice cold Italian magic! We will provide your team with a wonderful, healthy frozen treat to cool off from a hot summer season!

Join the Ice Squad and reap the benefits!! We at Carmella's recognize the importance of showing your team you care about them. This is an extremely affordable way to help with retention and create hospitality for your internal guests - your employees!

For large venues, we use our truck and park at your site. For smaller venues, we will bring out one of our freezers which can be set up in a lobby or foyer area.

What's the cost? This program is designed to be a cost effective event for you. Our charge is only **\$1.75 per employee*** for a 6 oz portion of their favorite flavor of Italian Ice. With so many different flavors, we are sure to please!

*minimum event price is \$300
